

【防範新型冠狀病毒】

Noval Coronavirus: What You Need to Keep in Mind

As the novel coronavirus outbreak is ongoing in China, you might have been exposed to infection sources. To protect your health, please follow the instructions below.

1. If you have fever, cough or shortness of breath upon Your arrival, whether you are taking any cough suppressants / antipyretics or not, please inform quarantine Officers at the airport / port immediately.
2. If such symptoms occur within 14 days after entry, please call our toll-free hotline 1922, to obtain instructions on seeking medical attention.
3. Be sure to inform doctors of your recent travel and exposure history.
4. Please abide by the relevant regulations on central epidemic prevention. If you have concealed immigration information according to Article 62 of the Law on Prevention and Control of Infectious Diseases, those who do not follow the instructions of the competent authorities at all levels will be contaminated and sentenced to imprisonment of less than three years, detention or a fine of less than NT \$ 500,000.

【Personal hygiene reminders】

Wash your hands
with soap regularly

Wear a mask
