

Due to the COVID-19, here is the relevant information updated from the Ministry of Education (109/03/27). In order to make the risk to other students and staff remains low, below are the precautions taken at KNU campus to prevent the coronavirus spreading:

1. Before Spring Break, school should announce the precaution of COVID-19 again to all faculty, staff and students. If you feel ill or have possible infected with COVID-19. Please contact with school immediately (0929-960440).

Please fill out the form if you have possible infected with COVID-19:

2. All faculty, staff and students of the nation are forbidden to travel abroad. Therefore, KNU students, non-citizens included, are prohibited from traveling to any international destination until further notice. Besides, for the further reference, all faculty, staff and students are in home quarantine/isolation to stay within designated quarantine area and turn on their mobile phone.
3. The coronavirus (COVID-19) outbreak has become a global pandemic. All KNU faculty, staff and students are strongly advised to avoid any nonessential group gathering, or public activity.
4. Please refrain from spreading unverified information related to the coronavirus outbreak. It is important that we all show empathy and care and provide assistance to those directly affected by self-isolation, home quarantine, self-monitoring, and self-health management.
5. To prevent coronavirus spreading at KNU campus, faculty, staff and students recently returning from abroad are advised to remain the self-monitoring for an additional two weeks once the initial 14-day self-isolation period has expired. During this period, please do not go to public places, including the university campus and social gatherings.
